## SHOW THEMES FOR CAMS MAY 30, 2015

It's the Fifties and North America feels bold, important and enthusiastic about the future and we wanted our cars to portray those feelings. We wanted bigger, faster, flashier and Detroit responded with chrome covered monsters that dripped opulence and luxury.

Build your favorite "Fabulous Fifties" automobile kit for CAMS 2015!

(Open to all automotive categories - subject matter manufacturing date of 1950 to 1959)

From the founding of Bismarck's Reich to the *Gottterdammerung* of the Third Reich, the Prusso-German army proved to be perhaps the most enduring and important institution within the German state.

Build your favorite model of Germanic Militaria for CAMS 2015!

(Open to military, aircraft, ships, figures & other applicable categories)

## GERMANIC MILITARIA

Vendor tables and canteen services available on site.
